

**General Manager's Report
September 19, 2018**

Information only

Larry D. Moore Water Treatment Plant

- Water and Wastes Digest has selected the new WTP for one of its 2018 Top Project. The awards ceremony is October 1, 2018 at 6:00 p.m. at WEFTEC. Mike and I will be attending WEFTEC to accept the award. This will also give us an opportunity to learn about the newest developments in wastewater technology as we work with DWSD on their new WWTP.

Information only

Douglas County:

- Douglas County and South Metro Fire have determined 3500 gpm fire flow is necessary for full build out of the County's Moore Road site. This will drive the terms of the Plum Valley Heights Capacity Agreement with Dominion.

Information only

Dominion/Sterling Ranch:

- Amending Combined Operations Agreement to include operation of the Nonpotable Raw Water Irrigation System in the RWSD responsibilities.
- Brian Billick and Mike Marcum are participating in the Willow Creek Lift Station design process.
- Completed analyses of water and wastewater service to Sterling Ranch Filing 3 near Roxborough Marketplace.

Information only

Inclusions:

- Jaksch – Provided Ms. Jaksch's attorney with a detailed accounting of engineering, design and legal costs incurred to date.

Information only

Ravenna:

- Board action on rate setting for repayment of CWCB loan for the Phase 2 Interconnect Infrastructure.
- Construction scheduled to begin November 1, 2018.

Information only

Raw Water Irrigation:

- Meeting with Castle Rock on September 28 to discuss capacity in the Ravenna pipeline, pump station, and Castle Rock Reservoir No. 1 (formerly Sutton Reservoir) and possible additional irrigation supply.

Information only
Public Outreach:

- RWSD sponsored the Roxborough Music Festival this year. Here's the banner we created for the event that we've now added to the website:
