- Final draw request and the close out of the project with the Colorado Water Resource Power Development Authority is nearly complete. Unexpended loan funds will be used to pay interest on the loan.
- We have had some workmanship issues with service lines in Chatfield East and Chatfield Estates. All have been corrected at the contractor's expense.
- We will make a payment to Douglas County for their portion of the SDCs for all 2017 connections sometime during the 1<sup>st</sup> Quarter of 2018 along with any remainder of the unexpended funds received from the County.
