

**GM Report
PVH Subdistrict
November 19, 2019**

Information only

- No change in the final 2020 budget for the Subdistrict from the draft presented to the Board on October 16, 2019.
- We met with Douglas County to discuss alternatives to meet fire flows at the County Emergency Vehicle Operations Center on Moore Road. We have included funds in the 2020 draft budget to develop design and cost estimates. We will summarize those discussions at the Board meeting.
- We have closed out the Water Alternatives Grant from Douglas County for the Northwest Douglas County Project and made final payment to the County of \$41,731.47 for County Tap Fees during the third quarter of 2019, and remitted unexpended County funds contributed to the project in the amount of \$231,775.59.

Inclusions:

- Received a preliminary inquiry regarding an estimated 5 EQRs on the 21-acre parcel of the Messenich property on Moore Road just south of Plum Valley Heights.
