

General Manager's Report
Plum Valley Heights Subdistrict of Roxborough Water and Sanitation District
August 18, 2021

Inclusions:

- Following Board action on Valley View Christian Church, staff and TST will work with the Church on the design and construction of the water service line:
 - Size of the water service line – depending on water line size, there may not be room for adequate easement on property identified by the Church
 - Ownership of the water service line
 - Risks to Church's internal distribution system from higher water pressure even with a pressure reducing valve
 - Projected cost for design
 - Timing of design and construction
